Work Phone: [Click here to enter text.](#)

Cell Phone: 678-230-3740

APIC Member ID: 119398

Email: susan.cali@att.net

Please give a brief introduction of yourself for our chapter members: I have been in healthcare all my life and a registered nurse for 38 years. I currently reside in Conyers with my Dad who is 91 years old. I have one daughter who is single and lives in Covington. I became interested in Infection Prevention during my oldest daughter's battle with AML at Egleston. She passed in August of 2006 from a CLABSI which led to sepsis and ARDS. She has been the reason for my dedication to prevention and control measures in acute care settings. I would be honored to serve as APIC Atlanta's President Elect.

Please describe your current scope of practice: I have been an Infection Preventionist for 10 years. I am currently working at the CDC on the PATT (Protocol and Training Team) for CACI, Inc. as an Infection Prevention Consultant. It has been a great transition from the acute care setting and I enjoy working for such a great team. I have many years throughout my nursing career in leadership roles from coordinator to director level positions. I love program development opportunities. I have served as your treasurer the last 3 years and the Board has worked hard to provide opportunities for growth by supporting members financially to attend conferences.

If selected, I agree to honor all responsibilities and attend scheduled meetings of the position that I am seeking. Please indicate your willingness to be considered for the position below by marking your preference:

President Elect

Treasurer

Signature: Susan Cali Date 10/24/2017

Submit completed form to Nominations@gmail.com by **October 18, 2017**.
